The following report provides an accurate representation of all compensation provided to the President and the next four highest paid executives with an annualized base salary that was \$125,000 or greater in the fiscal year 2017/2018.

The Total Compensation Philosophy (Appendix B) is to be read in concert with the Terms and Conditions of Employment for Exempt Employees which contain four main elements – compensation, benefits including pension, career development and work/life balance provisions.

The total compensation package is designed to allow, to the extent possible, the organization to successfully attract, retain and motivate the best qualified candidates possible to lead the College. Compensation for Camosun College executives is benchmarked against the Provincial Public Service and similar post-secondary and other public sector labour markets to continually assess compensation trends and levels, with a focus on those organizations with which it competes for talent. In specific circumstances and programs, the College may also review compensation trends in targeted industry or other sectors, or other provinces/geographic jurisdictions.

The Board Executive sets the salary and benefits for the President. Salaries for other members of the College Executive have been determined by reference to the factor-based, point rating Exempt Employee Job Evaluation Plan and annual salary ranges for specific positions. Adjustments have been made from
